Volume 55
1948

Published by
THE AMERICAN JOURNAL OF CLINICAL MEDICINE
WAUKEGAN, ILLINOIS

Index to Volume 55 — 1948

Key to Abbreviations: (ab) Abstract; (dp) Diagnostic Pointer; (ed) Editorial; (rev) Book Review; (tt) Thumbnail Therapeutic; (gc) Graduate Course; (cn) Clinical Note; (ps) Pictorial Section; (pp) Problem in Practice; (cc) Clinicopathologic Conference.

	Page		Page
A		C	
Abdominal distention (ps)	108	Bleeding after cervical operation (pp) ...	239
injuries (tt)	123	abnormal tests for (ab)	62
surgery, after (dp)	30	Block, M. T.—Treatment of headache	
Abruptio Placenta (dp)	240	with sodium nicotinate	173
Acne (tt)	31	Blood derivatives and substitutes.—	
Actinomycosis (pp)	74	O. S. White (rev)	186
Adolescent problem girl, the (dp)	121	donors, simplified hemoglobin	
Adrenals, diseases of—L. J. Soffer (rev)	257	determination of (tt)	64
Allergy, fatigue, cigarette smoking		examinations (see page 150)	
and (pp)	115	symposium on (rev)	66
synopsis of.—H. L. Alexander (rev)	68	Boards, specialty, American (Ed)	117
theory and practice in.—R. A. Cooke		Bolls (pp)	223
(rev)	32	in the ear canal; treatment of (pp)	173
Ambulation, early post-operative.—		Bone and bones.—J. P. Weinman, M.D.,	
G. S. Atkinson	245	H. Sicher, M.D. (rev)	67
Amebiasis and its complications, diagnosis		lesion (pp)	116
and treatment, pointers on.—D. E.		Book Reviews—32, 66, 92, 124, 148, 172, 186,	
Nolan and H. Warshawsky (in 2		199, 212, 226, 242, 257	
parts: Part I and Part II)	1, 46	Brucellosis (undulant fever).—	
Anastomoses, intestinal, prevention of		G. A. Skinner	187
leakage from (ab)	28		
Anatomy, an atlas of.—J. C. Boileau			
Grant, M. D. (rev)	212		
concise.—L. F. Edwards, M. D. (rev)	242		
physiology and, laboratory manual and			
study guide.—B. G. King (rev)	227		
surface, and radiological.—A. B.			
Appleton, M. D. (rev)	32		
Anemia, aplastic, folic acid for (tt)	122		
iron deficiency (ab)	27		
pernicious, refractory (pp)	116		
(see page 39)			
Anesthesia, cold (tt)	89		
the "head down" posture in (ab)	45		
Anesthetic dangers, obstetric (ab)	26		
deaths, preventable	196		
Ankle, injuries of (see page 178)			
Aortic Valve, calcific disease of the.—			
H. T. Karsner, M. D. (rev)	66		
Apoplexy or "stroke" (pp)	198		
Appendical calculi (dp)	256		
Appendicitis vs. renal colic (dp)	121		
Arteriosclerosis (pp)	208		
Arthritis and related conditions.—			
T. F. Bach (rev)	68		
rheumatoid, early diagnosis of (dp)	30		
x-ray treatment of (ab)	26		
Ascites, drainage for (tt)	122		
Assistant, office, the (ed)	56		
Asthma, bronchial, ephedrine in (tt)	31		
bronchial, x-ray therapy for (tt)	146		
ether for (tt)	122		
in the aged (dp)	121		
year-round (pp)	169		
Atkinson, G. S.—Early post-operative			
ambulation	245		
Atrophy, senile (see page 171)			
B		C	
Baby Book (rev)	32	Calcific Disease of the aortic valve.—	
Bacitracin (pp)	168	H. T. Karsner, M.D. (rev)	66
Bacteriologic diagnosis, value of		Calcium Deficiency: blood and urine	
accurate (ab)	62	findings (ps)	162
Bailey, Hamilton.—Demonstrations of		clinical signs of tetany (ps)	160
physical signs in clinical surgery		therapy (ps)	163
(rev)	32	Calcium Metabolism, disorders of	6
Bandaging, kinetic—S. W. Mayer (rev)	199	Cancer, Gastric, early symptoms of (dp)	240
Benadryl for common cold (ab)	29	indigestion and (dp)	121
Biliary Attacks, treatment of (pp)	198	pernicious anemia vs. (dp)	210
Bilirubin in urine (dp)	30	relief by antacids (dp)	91
Bismuth, oral, effective (ab)	131	Cannabis Indica hallucinations (dp)	65
Blech, G. M.—Indications and contra-		Carcinoma of the rectum: diagnostic	
indications for electrosurgery	213	error (dp)	147
		of the stomach (dp)	147
		Cardiac failure, treatment of (tt)	64
		measurements (see page 231)	
		Cardiology, primer of.—G. E. Burch (rev)	186
		Cardiovascular Disease, atlas of.—	
		I. J. Treiger, M.D. (rev)	66
		Carotid Sinus stimulation on tachy-	
		cardia, effects of (ab)	61
		Catheters, Retention (ab)	29
		Cervical operation, bleeding after (pp)	239
		Cervix, amputated, labor with (pp)	58
		Cesarean Section, technic of low	
		cervical.—D. M. Heading	214
		Chemistry, clinical quantitative (rev)	226
		Chest x-rays suggesting gastric	
		cancer (dp)	120
		Chilblains, treatment of (tt)	241
		Clinical application of the male sex hor-	
		mone.—W. O. Thompson, M.D. (rev)	243
		medicine, symptoms and signs in.—	
		E. N. Chamberlain, M.D. (rev)	226
		pathology, recent advances in (by	
		various authors) (rev)	66
		Clinicopathologic Conferences:	
		Bacterial endocarditis	42
		Carotenemia	218
		Diabetic Acidosis	204
		Gastric ulcer	12
		Pulmonary embolism	110
		Subdural hemorrhage	236
		Coccygodynia, treatment of (tt)	87
		Cold, common, benadryl for (ab)	29
		Colon surgery, safe (tt)	88
		Communicable Diseases.—F. H. Top (rev)	58
		Connolly, E. A., Lempka, A. W.—	
		Mediastinal tumors	125
		Cornell Conferences on therapy.—	
		H. Gold (rev)	199

INDEX

	Page
Coronary, acute, insufficiency vs. acute coronary occlusion—C. Marple, M.D.	82
deaths, preventable (tt)	225
thrombosis (dp)	256
Crile, George, an autobiography (rev)	186
Crippled patient, the (ed)	53
Cyst, anal fistula or (pp)	223
Cystitis due to cervicitis (dp)	147

D

Decompression Tube, simplified intestinal	159
Delaying Agents, use of (pp)	197
Delivery, premature (dp)	65
pre-care.—C. F. Moon, M.D.	133
Diabetes, types of (cn)	24
Diabetic pain in the legs (pp)	114
Diagnosis, accurate bacteriologic, value of (ab)	62
in daily practice.—B. V. White, M.D. (rev)	33
Diagnostic Error (allergy)—R. L. Gorrell (acute intestinal obstruction)	54 90, 120, 175
Diagnostic Problem	191
Diarrhea, streptomycin for (pp)	58, 185
Diathermy, short wave, and gastric acidity (tt)	225
Dictionary, the American illustrated medical.—W. A. Newman Dorlan, M.D. (rev)	34
Dietetics, Patee's (rev)	34
Diet Therapy, handbook of.—Dorothea Turner (rev)	34
Digitalis and Quinidine, synergistic action of (ab)	28
Diphtheria Carriers (pp)	169
in partially immune persons (dp)	240
Doctor's Scrapbook, the.—J. W. Torbett, (rev)	257
Drugs, actions and uses of (rev)	
—W. C. Cutting	34
—N. Sapeika (rev)	66
Dysentery Bacillary (tt)	255
Dysmenorrhea, increasing (pp)	170

E

Ear drum, perforated, treatment of (pp)	115
nose and throat.—G. D. Wolf (rev)	228
Ectases, senile (see page 171)	
Edema, periorbital, and thyroid deficiency (pp)	170
Editorials:	
What is general practice?	23
Is streptomycin safe? Dizziness following streptomycin therapy	23
The Office Assistant	56
The Peckham experiment	57
Physician: stuffed shirt or human being	85
Hospitals and the general practitioner	86
American specialty boards: trade unions or practice betterment?	117
Your actions are publicity for the medical profession	144
"The supreme sacrifice"	144
More Lesire for the g.p.	166
Tomorrow's medical practice	167
Egan, R. L., Sachs, A., Slutsky, B.—Newer concepts of peptic ulcer therapy	69
Electrocardiography, unipolar lead—E. Goldberger (rev)	186
Electrosurgery, indications and contra-	
Embryologic development of the lacrimal canal (ps)	135
indications for.—G. M. Blech	213
Emotions and bodily changes.—F. Dunbar, M. D. (rev)	68

	Page
Endocrinology, general.—C. D. Turner office.—R. B. Greenblatt, M. D. (rev)	226 68
recent advances in.—A. T. Cameron, C.M.G. (rev)	66
yearbook, metabolism & nutrition, W. O. Thompson, & D. Spies (rev)	67
Endometriosis	72
Enterogastrone for peptic ulcer (pp)	169
Enuresis.—R. L. Gorrell, M.D.	21
treatment of (tt)	87
Epiphora: excessive tears in the infant (ps)	134
Episiotomy (tt)	171
Errors in general practice (gc)	38
Estrogenic migraine (ab)	26
Estrogens as tonic for older women (tt)	31
Etiology in medicine (ab)	26
Examination, vaginal, in girls (pp)	197
Exercise, therapeutic.—F. H. Ewerhardt, M.D. (rev)	257
Eye symptoms, riboflavin for (dp)	65
injuries, first aid for (ab)	132
Eyes, infected, penicillin for (tt)	122

F

Farber, E. P.—Methergine: Its use in the induction of labor	37
Fatigue allergy and cigarette smoking (pp)	115
Feeding, subcutaneous in infants (tt)	255
Feet, burning (pp)	238
Femur fractures (pp)	74
Fertility, the problem of.—E. T. Engle (rev)	33
Fever, puerperal (pp)	209
Fevers, acute, infectious.—A. Joe, M.D. (rev)	92
Finger tip infections (pp)	113
Fistula, anal, or cyst (pp)	223
Fistulae, abdominal, treatment of (cn)	126
Fluctuation: testing for pus (ps)	109
Folic Acid, use of (pp)	246
Foot and ankle, the.—P. Lewin (rev)	186
Four Hundred Years of a doctor's life.—G. Rosen (rev)	257
Fractures, dislocations and sprains, the management of.—J. A. Key, H. E. Conwell (rev)	34
femur (pp)	74
handbook on.—D. Eve, Jr. (rev)	172
leg, preventing quadriceps atrophy in (tt)	211
wrist sprain, versus (pp)	222
Frost Bite, treatment of (tt)	255

G

Gallbladder, diseases of the, and allied structures.—M. Behrend, M.D. (rev)	68
diseases, possible (pp)	59
Gall Stones (see page 40)	
Gangrene, impending, intravenous ether for (tt)	255
Gelatin foam in cavities (pp)	168
Genetics, medicine and man.—H. J. Muller (rev)	148
Geriatrics (see page 171)	
Glaucoma (pp)	206
Glomerular Nephritis: diagnosis and treatment.—T. Addis, M.D. (rev)	199
Glutamic Acid: discussion and review.—C. C. Pfeiffer	158
Golter enlargement, rapid (ps)	193
Gorrell, R. L., M.D.—Enuresis	21
Gynecology.—L. R. Wharton (rev)	33
practical office.—K. J. Karnaky (rev)	242
Gynecomastia (male breast enlargement (dp)	65

INDEX

	Page
Nervous Habits in normal children, the measurement of.—W. C. Olson, Ph.D. (rev)	67
Neuralgia, trigeminal, trichlorethylene for (ab)	27
Neurology, clinical, a textbook of.—I. S. Wechsler (rev)	186
Newborn infant, the care of	13
undiagnosed infection in the (dp)	65
Nolan, D. E., Marshawsky, H.—Pointers on Amebiasis and its complications, diagnosis and treatment (part I and part II)	1, 46
Nose and throat, diseases of.—C. J. Imperatori (rev)	148
Nutrition (see rev. on 67)	
infant.—P. J. Jeans, M.D. (rev)	148

O

Obstetric complications, management in.—C. B. Lull, M.D. (rev)	257
Office study of the tired patient (ps)	50
Ollerenshaw, G. J. W.—H.11 Extract(a brief account of its preparation, standardization, experimentation and clinical results)	149
Ophthalmology, Gifford's textbook of.—F. M. Adler, M.D. (rev)	66
Osteoporosis (see page 7)	
Otitis Media, acute, decongestion of (tt)	31
Otolaryngology, cases in.—S. J. Kopetsky	194
Overweight (see page 91)	
(tt)	123

P

Pain at night (dp)	240
pelvic, persistent (pp)	184
Painful skin diseases (pp)	73
Para-amino benzoic acid for rickettsial diseases (ab)	63
Paroxysmal tachycardia (pp)	185
Patee's dietetics.—H. E. Munsell, Ph.D. (rev)	67
Pathology, recent advances in clinical (rev)	226
Peckham experiment, the (ed)	57
Pediatrics, advances in.—A. M. Butler (rev)	92
Penicillin, administration of (tt)	127
bactericidal action of	99
in general practice (ab)	29
in glycine for impetigo (ab)	49
in postpneumonic empyema (ed)	107
intramuscular, for impetigo (ab)	27
intraspinal, reactions from (tt)	64
ointment for impetigo (ab)	63
to prevent infections (ab)	28
urticaria, treatment of (ab)	63
with procaine (tt)	64
Periorbital Edema and thyroid deficiency (dp)	170
Peripheral nerve, injuries to (tt)	88
Pertussis, Hyperimmune gamma globulin and Sulfadiazine in (tt)	225
Pfeiffer, C. C.—Glutamic acid: discussion and review	158
Pharmacology, essentials of.—F. K. Oldham, Ph.D., F. E. Kelsey, Ph.D., M. K. Geiling, M.D. (rev)	68
and therapeutics, Cushny's.—A. Grollmann, M.D. (rev)	148
therapeutics and prescription writing.—W. A. Bastedo (rev)	187
Physician: stuffed shirt or human being (ed)	85
Physician's daily record, the (rev)	32
Physiology, mammalian, laboratory work in, manual for	227
human, textbook of.—W. F. Hamilton, Ph.D. (rev)	148
Pinworm infection, (tt)	87

Plasma protein fractions and their therapeutic uses.—C. D. Marple, M.D. ...	93
Pneumonia, modern treatment of	55
types of (tt)	145
Poisoning by concentrated acids and alkalis (tt)	241
kerosene (pp)	142
Poliomyelitis, bulbar, summary of symptoms and treatment in various types of	84
early diagnosis of (ps)	134
Post-operative distress, avoidance of (tt)	255
Power Golf—Ben Hogan (rev)	199
Pregnancy, ectopic (dp)	170
edema and toxemia of (tt)	31
pyelitis of (dp)	91
vomiting of, treatment of (pp)	198
Premature closure of the cranial sutures.—D. R. Simmons	177
Preoperative and post-operative care.—W. J. Tourish (rev)	92
"Problem Girl", adolescent the (dp)	121
Protein deficiency, mental depression due to (ab)	61
preparation, intravenous (ab)	29
starvation (cn)	25
Pruritis Ani, surgery in (pp)	75
treatment of (pp)	224
Pruritus Vulvae during menopause (pp) ..	115
Psoriasis, treatment of (ab)	63
Psychiatry, fundamentals of.—E. A. Strecker, M.D. (rev)	66
mental hygiene and.—S. W. Hartwell, M.D.	212
practical, clinical.—E. A. Strecker, M.D. (rev)	148
Psychoanalysis, yearbook of (Vol. III) (rev)	226
Psycho-Analytical approach to juvenile delinquency.—K. Friedlander (rev) ..	172
Psychology, encyclopedia of.—P. L. Harriman (rev)	67
introduction to medical.—L. E. Wexberg ..	212
Psychoneurosis (anxiety reaction), the sedation insulin treatment of (tt) ..	89
Publicity, your actions are, for the medical profession (ed)	144
Pulmonary calcification (ps)	16
disease, errors in x-ray diagnosis of (dp) ..	170
embolism after intramuscular injection (dp)	240
infarction: a new physical sign	156
infections, differential diagnosis in (dp) ..	256
Pyelitis of pregnancy (dp)	91
Pyridoxine (vitamin B6) the present status of.—C. D. Marple	164
(vitamin B6) therapy (pp)	168

Q

Quadriceps Atrophy in leg fractures, preventing (tt)	211
Quick, Armand J., M.D.—Hippuric acid liver function test	105

R

Reflexes and syndromes, diagnostic signs.—M. E. Robertson	226
Resuscitating the newborn (tt)	241
Resuscitation, dying, apparent-death and (rev)	227
Retention with overflow (ps)	52
Rheumatic Fever (pp)	142
Rheumatism and soft tissue injuries(rev) ..	227
Riboflavin for eye symptoms (dp)	65
Rickets, infantile: x-ray (dp)	210
Rickettsial Diseases, para-amino-benzoic acid for (ab)	63
Ringworm, local treatment of (tt)	88
Roentgenology, diagnostic.—R. Golden (rev)	226
errors in general practice (gc)	136
Rural physician	182

INDEX

	Page		Page
S		Tumors, mediastinal.—E. A. Connolly, M.D., A. W. Lempka, M.D.	125
Sachs, A., Slutsky, B., Egan, R. L.—Newer concepts of peptic ulcer therapy	69	Turnbull, F. M., Hamilton, Wm.—A New jet method of nasal medication	102
Scarlet Fever, the treatment of (tt)	146	Twins (tt)	146
Sciatica, head flexion test in (dp)	30		
Science in progress.—G. A. Bailsell (rev)	92	U	
understanding.—J. B. Conant (rev)	67	Ulcer, corneal (pp)	116
Scrotum, swelling of the (dp)	210	duodenal, recognition of, and other abdominal emergencies (ps)	77
Senile Ectases (see page 171)		peptic (dp)	147
Sex hormone, male, clinical application of the.—W. O. Thompson	243	peptic, enterogastrone for (pp)	169
power in marriage.—E. W. Hirsch (rev)	34	peptic, in hemorrhage and perforation (dp)	240
Sexual behavior in the human male (rev)	227	peptic, newer concepts of therapy.—A. Sachs, B. Slutsky, R. L. Egan, M.D.s	69
Shock, severe, fast plasma administration in (tt)	145	peptic, perforation of (ps)	102
Silver Nitrate for office use (pp)	206	peptic, where does it hurt (pp)	183
Simmons, D. R.—Premature closure of the cranial sutures	177	Ulcers, leg theory and treatment of.—C. E. Wilson, M.D.	5
Simons, E. J.—The changing complexion of medicine	17	varicose, of the leg (pp)	76
Skin diseases, painful (pp)	73	Undulant fever (see page 187)	
problems of the aged (geriatrics) (tt) ..	171	Unipolar lead electrocardiography.—E. Goldberger (rev)	186
Skinner, G. A.—Brucellosis (undulant fever)	187	Urethra, local anesthesia for the (tt)	89
Snoring, treatment of (tt)	225	Urinalysis, simple (pp)	141
Solutions and dosage.—S. Jamison, R.N. (rev)	199	Urinary frequency from liquid overconsumption (tt)	211
Sports, the new encyclopedia of—F. G. Menke (rev)	257	incontinence, due to the paralytic "neurogenic" bladder (tt)	241
Sprain, wrist, versus fracture (pp)	222	infections (see page 38)	
Stains, iodine, removal of (pp)	143	tract, clinical importance of congenital anomalies of the	129
Stammering, overcoming.—C. Pellman (rev)	212	tract infections, persistent (tt)	123
Starvation, protein (cn)	25	Urination, burning on (pp)	59
Streptomycin for diarrhea (pp)	185	Urticaria, penicillin, treatment of (ab) ..	63
in diarrhea (pp)	56	Uterine packs (pp)	224
is, safe? Dizziness following streptomycin therapy (ed)	23	preventing death from, and ovarian malignancies (ab)	29
"Stroke" (see page 198)		Uterotubal insufflation.—I. C. Rubin (rev) ..	67
Subtilin—a new antibiotic (pp)	143		
Surgery, general textbook of—W. W. Cole, M.D. (rev)	257	V	
orthopaedic, lectures on regional (rev)	33	Vaginal examination in girls (pp)	197
Syphilis, paradoxical problems of (ab) ..	61	Vagotomy (see page 70)	
office treatment of (pp)	143	Varicose Ulcers of the leg (pp)	76
		Vasospasm, traumatic injury and, treatment of (pp)	223
T		Venous Pulse, the, and its graphic recording.—F. M. Groedel (rev) ..	33
Tachycardia, effects of carotid sinus stimulation on (ab)	61	Vertigo and hypothyroidism (tt)	146
hypertension and overweight (dp)	91	Veterinary bacteriology.—L. A. Merchant, D.V.M. (rev)	34
paroxysmal (pp)	185	Virus as organism.—F. H. Burnett, M.D. (rev)	32
Teeth, extraction of (tt)	225	Vitalium Plate for hernia (ps)	193
Test, bromsulphalein	36	Vitamin assay, methods of.—Ed. by Assoc. of Vit. Chemists (rev)	68
head flexion, in sciatica (dp)	30	B6—the present status of pyridoxine.—C. D. Marple	164
Tetany, clinical signs of (ps)	16	Vomiting, fecal (dp)	30
Thiamine hydrochloride, sensitivity to (ab) ..	41	in the older patient (dp)	147
Thompson, W. O.—Clinical application of the male sex hormone	243	of pregnancy, treatment of (pp)	196
Thyroid deficiency, periorbital edema and (pp)	170		
nodules (see page 40)		W	
Thrombophlebitis, persistent, treatment of (pp)	185	Warsawsky, H. Nolan, D. E.—Pointers on Amebiasis and its complications, diagnosis and treatment (Part I and Part II)	1, 46
Tired Patient, educating your (ed)	217	Wilson, C. E.—Theory and treatment of leg ulcers	5
office study of the	50	Women, enemies of.—A. M. Ludovici (rev) ..	227
Tobacco Habit, the (pp)	184	Workbook for health.—O. E. Byrd (rev) ..	92
Tourniquet amputation (tt)	145		
Trench Mouth (pp)	168		
Tube, intestinal, simplified decompression ..	159		
Tuberculosis as it comes and goes.—E. W. Hayes, M.D. (rev)	34		
promin for (pp)	224		
Tularemia (rabbit fever), streptomycin for (tt)	123
